### PRODUCT DETAILS

Introducing the latest addition to our bestselling Artemis Collection, part of our exclusive Ben Soleimani [made-to-order](#) selection. The Artemis Dining Chair is a refined iteration of the beloved Artemis Barrel Dining Chair, embodying a French aesthetic. This modern classic boasts tapered solid oak wood legs in a striking black finish, adding a chic enhancement. Featuring a tight back and self-welt detailing, its graceful curves and low half-moon back make it a standout piece.

Start your design journey with our foundation pieces like the exquisite [performance rugs](#), handcrafted by master artisans for unmatched quality and durability. Pair the Artemis Dining Chair with our luxurious [dining tables](#) for a cohesive look. Illuminate your space with our stunning [chandeliers](#) and discover the perfect combination of style and sophistication for your dining environment. Explore these and more from the Ben Soleimani collection to create a truly elegant space.
