PRODUCT DETAILS

Discover the Oakes Daybed by Ben Soleimani, a stunning generously scaled addition to any space. This daybed, part of the elegant Oakes collection, is perfect for creating a luxurious focal point in your [living room](#), library, or [primary bedroom](#). Its spacious design offers ample room for relaxation. Crafted with firm, button-tufted seat cushions, the Oakes Daybed combines classic and modern elements. The sleek, floating brass metal legs add a contemporary touch, while the daybed's overall classic style ensures it fits seamlessly into both modern and traditional settings. This versatile piece is a statement of sophistication and timeless design.

Personalize your Oakes Daybed in our [Custom Studio](#). COM/COL options are available, as are **Contract Grade** upgrades for your commercial projects.
